Multiple Browser Tabs

Search results, case records, and documents can now be accessed at the same time on separate browser tabs. Each one will open on a separate tab and you can toggle between them. To close a tab, click on the "X" to the right of the one you want to close.

• Printing

There is print option located at the top right of the web page. To convert the entire case record to a printable PDF file, click the icon. If there are expandable sections, select "Print All". Please note that printing large cases will take a few minutes.
