RESOLUTION NO. **225-2025**

On the motion of Supervisor: Koenig
Duly seconded by Supervisor: Cummings

The following resolution is adopted:

RESOLUTION APPROVING THE 2025-26 COUNTY BAIL SCHEDULE

WHEREAS, the Board of Supervisors of the County of Santa Cruz determines the fines for violating various provisions of the County Code and traffic-related programs that operate on designated through highways, private roads, and County Parks; and

WHEREAS, the County Bail Schedule is used by the Superior Court of California, County of Santa Cruz, to verify fine amounts for violations of the County Code and County traffic-related programs; and

WHEREAS, this schedule does not preclude County Counsel, Code Compliance Administrative Hearing Officers, or Code Compliance Investigators from setting and recovering administrative or civil penalties to address abatement of violations of the County's land use codes; similarly, it does not supersede penalties collected directly through the Santa Cruz County Animal Services Authority's administrative citation program; and

WHEREAS, at the request of the Superior Court, staff has conducted a review of the current Bail Schedule, has determined that it requires updates and recommends the Board of Supervisors approve the updated Court Bail Schedule for 2025-26.

NOW, THEREFORE, the Board of Supervisors of the County of Santa Cruz resolves and orders that the County of Santa Cruz 2025-26 Bail Schedule, attached hereto as Exhibit 1, is hereby approved.

# ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

## Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

## Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

## Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

## All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
